Conversation 1 (A-Level 67)

Situation: Two students in the back of the classroom

- Mind: (whispering) *Psst*. Hey, Nina. Check out this *Tik-Tok* clip. It's awesome!
- Nina: Come on, Mind. We're in class. ____ 1 ____
- Mind: Oh, she won't know. ____ 2 ____
- Nina: That's what you said last time. And then she saw us and we got in trouble.
- Mind: But this class is so-o-o boring. Don't you want to have a laugh?
- Nina: ____ 3 ____
- Mind: Oh, look! Here's another cool clip.
- Teacher: Nina? Mind? Are you looking at *Tik-Tok* again while in class?
- Nina: Oh no, Teacher. We're, um, looking up a new word that you just used.
- Teacher: Oh, really? ____ 4 ____

1.
 1. Save it and show it to the teacher during lunch.
 2. Show your phone and the clip to your Mom, too.
 3. Send me a link and I'll share it with my little sister.
 4. Put your phone away before the teacher catches us again.

2.
 1. She doesn't have any internet access on her phone.
 2. She never looks at students in the back of the room.
 3. She always says that social media is a waste of time.
 4. She can't tell the difference between Tik-Tok and Instagram

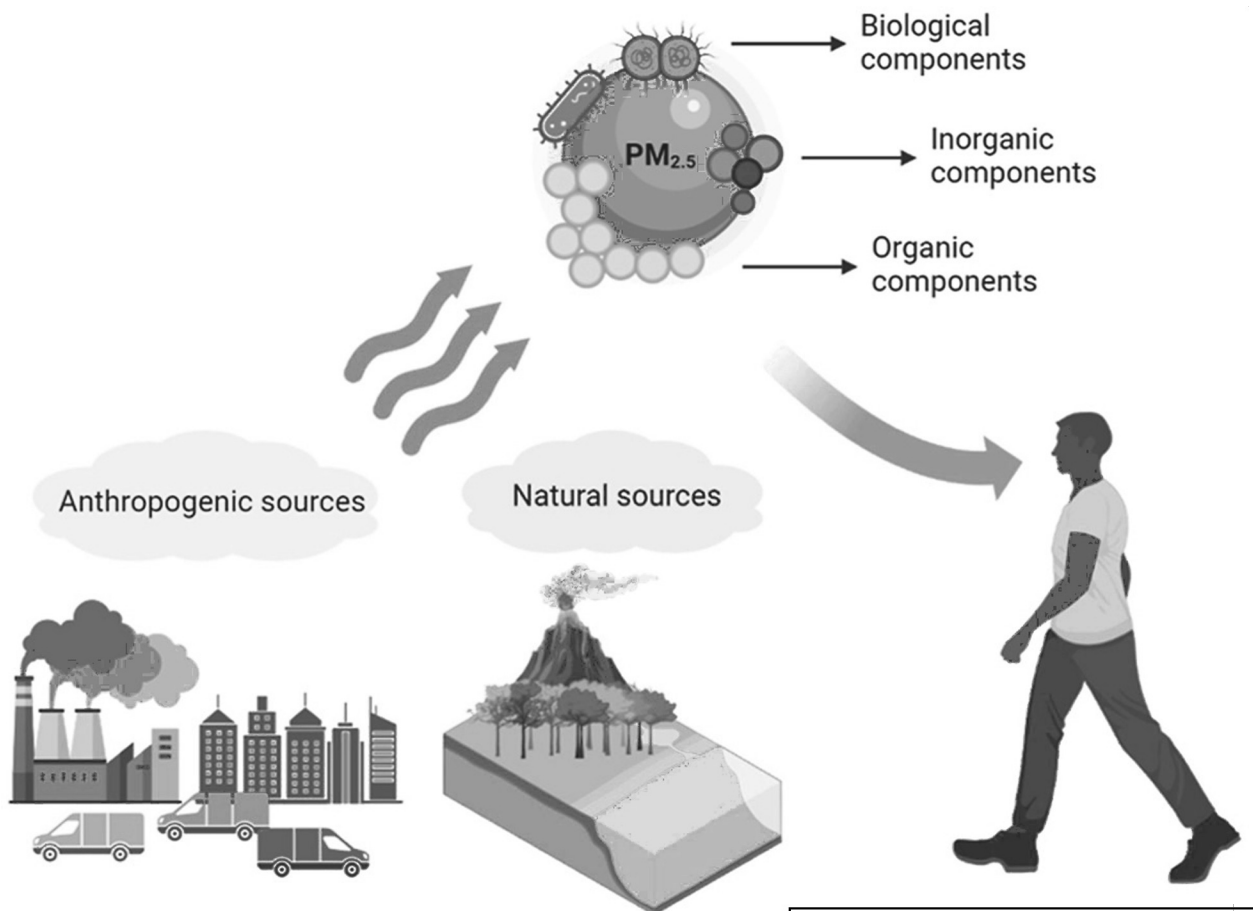

3.
 1. Yes, the clip is awful, thanks.
 2. Of course the teacher is funny.
 3. No. I'll wait until after class.
 4. Not really. I don't know any jokes.

4.
 1. I'm sorry. I don't know how to use any new words with you. My apologies.
 2. You know, don't believe everything you see online. Sometimes it's just fake news.
 3. Well, look up the definition of "inattentive" and tell the whole class what it means.
 4. That's good. Tik-Tok is very educational. You can't learn a lot of new words from it.

6 ข้อ: Review

Review 1 (A-Level 67)

- (1) The Supra X9, like its predecessor, is the **ultimate** tablet. Its huge display makes good use of the new operating system, which works well with the integrated pen and optional keyboard. As a result, it should be an excellent device for creating artwork, editing documents, taking notes, and other productivity tasks.
 - (2) With a high resolution, the display is also beautiful and slick. The Supra X9 can be a laptop replacement.
 - (3) We were really impressed with both the performance and the software. The software makes this feel like a real laptop, with better multitasking features that other tablets just do not have. And its strong chip ensures that everything runs smoothly.
 - (4) Although the Supra X9 feels like a laptop, it does not perform everything that a true laptop can. However, as a large, powerful tablet, it is unmatched.
7. The main purpose of the passage is to _____.
1. compare a couple of new tablets
 2. describe the drawbacks of a tablet
 3. give positive comments on a tablet
 4. explain why we should not use tablets
8. Which of the following is described in the first paragraph?
1. What type of art the tablet can produce
 2. How the tablet is different from a laptop
 3. What type of laptop can be used with the tablet
 4. How the tablet is an improvement on the older model
