### Morpheus/Neo matchup

Neo : I know kung fu.

Morpheus : Show me. This is a sparring program...similar to the programmed reality of the Matrix. It has the same basic rules. Like gravity. These rules are not different than those of a computer system. Some of them can be bent. Others...can be broken. Understand? Then hit me...if you can. Good! Adaptation...improvisation. But your weakness...is not your technique. How did I beat you?

Neo : You're too fast.
